

Modern Insurance Partners is a multi-line agency offering the nation's commercial coverage through top-rated insurance companies.

Our goal is to identify and minimize client exposure to risk through quality coverage, sensible premiums, and the implication of insurance matters. This is done by analyzing each client's unique insurance needs, creating a thoughtful protection program, and placing the coverage with the most cost-effective insurance program.

OUR TECHNOLOGY MAKES US DIFFERENT

APPLY ONLINE

Our online insurance application and carrier form wizard will guide you step-by-step to complete your policy application.

ELECTRONICALLY SIGN

The online application wizard is secure and safe so you can electronically sign the applications via digital signature.

HUNDREDS OF CARRIERS

Most agents shop only 2-3 carriers. Our technology submits your application to hundreds of carriers simultaneously.

STRESS FREE

With our easy and automated submission wizard, we easily find the best coverage and rates for you.

Start protecting your future today, give us a call at 844-790-5060 or visit moderninsurancepartners.com to get started.
